14th Annual
CORPORATE GOLF INVITATIONAL

Planned Systems International is the sponsor of an annual golf outing which benefits two very worthy charities: *the Leukemia & Lymphoma Society* and *Ewing's Sarcoma (Special Love)*.

On Friday, October 15, 2010, we will hold our 14th corporate golf invitational at *The Argyle Country Club* in Silver Spring, Maryland. Attendees will enjoy golf, a delicious crab feast, prizes, and much, much more. Come out, network, play golf, eat, drink, be merry, and help us hit another *hole-in-one* for our charities.

PSI will match 100% of all donations received. If you would like to be part of a foursome, that is fabulous. If you are alone, we will put you on a team.
