

# PSI 2024 Intern Program

## **JOB TITLE**

IT Engineering Intern

## **DEPARTMENT/PROJECT**

ETSSS-TTS

## **DESIRED FIELD OF STUDY**

IT engineering

## **JOB LOCATION**

Tampa , FL

## **EMPLOYMENT TYPE**

Part Time

## **JOB DESCRIPTION**

The ETSSS-TTS project is seeking an intern who will support the design and implementation of our technical infrastructure. As an intern, he/she will work alongside experienced architects and engineers, contributing to projects that enhance our software solutions and systems architecture. This role is perfect for students pursuing degrees in Computer Science, Information Technology, or related fields, who are eager to apply their knowledge in a practical, fast-paced environment.

**Enhance Technical Skills:** Gain practical experience by working with advanced technologies and software development tools to enhance technical skills in areas such as systems architecture, programming, and network design.

**Support Project Implementation:** Assist in the design and implementation of key projects by contributing to the development of technical blueprints and solutions, ensuring they align with business objectives and IT strategies.

**Technology Evaluation:** Participate in the assessment and evaluation of new technologies and tools, aiding the team in making informed decisions that can improve the overall technological infrastructure of the company.

**Collaboration and Learning:** Collaborate with various cross-functional teams, including senior architects and engineers, to learn best practices in IT architecture and engineering while contributing to the team's goals.

**Problem Solving:** Develop problem-solving skills by assisting in troubleshooting and resolving technical issues that arise during the development and deployment of IT systems, ensuring smooth and efficient operations.

Intern responsibilities will include assisting in the development of architectural blueprints, evaluating new technologies, and supporting the resolution of technical issues. We provide a dynamic work environment where interns will gain hands-on experience with cutting-edge technologies and receive mentorship from industry leaders.

## **JOB WILL INCLUDE HANDS ON EXPERIENCE WITH:**

Java, Python, JavaScript, Git, Visual Studio, Amazon AWS, Microsoft Azure, Google Cloud, Docker, Kubernetes, SQL, NoSQL, Data structure, Data management, Data query

## **MINIMUM REQUIREMENTS**

- Enrolled in a college undergraduate program. Majors such as Business Administration, Finance, Information Technology, Computer Science, Marketing and Communications are preferred.
- Strong academic record, excellent communication skills, and proficiency in Microsoft Office suite.
- Prior experience or coursework in government contracting is a plus, but not required.

## **COMPANY BENEFITS**

PSI offers full-time, benefits eligible employees a competitive total compensation package that includes paid leave, and options for employer sponsored group medical, dental, vision, short-term and long-term disability, life insurance, AD&D coverage, legal services, identity theft, and accident insurance. Flexible spending account and health saving account options offer pre-tax savings for qualified medical, dental, and vision expenses. The company sponsored 401(k) retirement plan has an employer contribution match that is immediately vested. We invest in the professional growth of our employees through professional courses, certifications, and tuition reimbursement programs.

## **EEO COMMITMENT**

It is company policy to promote equal employment opportunities. All personnel decisions, including, but not limited to, recruiting, hiring, training, promotion, compensation, benefits, and termination, are made without regard to race, color, religion, age, sex, sexual orientation, pregnancy, gender identity, genetic information, national origin, citizenship status, veteran status, protected veteran status, disability, or any other characteristic protected by applicable federal, state, or local law.

Reasonable accommodations for applicants and employees with disabilities will be provided. If a reasonable accommodation is needed to participate in the job application or interview process, to perform essential job functions, and/or to receive other benefits and privileges of employment, please contact Human Resources by emailing [HRDepartment@plan-sys.com](mailto:HRDepartment@plan-sys.com), or by dialing 703-575-8400.
